Okay. Sorry. There probably will be a list of specific locations or types of locations that are designated as "critical infrastructure" but that list probably wont be available till tmr.
PM remarks:
The government will designate, secure and protect places and infrastructure that are critical to our economy and people's jobs, including border crossings or airports.
We cannot and will not allow illegal and dangerous activities to continue.
The Emergencies Act will also allow the government to make sure essential services are rendered, for example, in order to tow vehicles blocking roads.
In addition, financial institutions will be authorized or directed to render essential services to help address the situation, including by regulating and prohibiting the use of property to fund or support illegal blockades.
Finally, it will enable the RCMP to
